Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC

4. Description of the procedure

4.1. The **CE marking** certifies that the products are in compliance with the applicable requirements defined in the harmonized standards and have been subject to the relevant procedures for the assessment and verification of constancy of performance and certification.

4.2. The CE marking shall be affixed to those construction products for which the manufacturer has drawn up a declaration of performance.

4.3. The CE marking shall be affixed to the construction product or to a label attached to it so that it is visible, legible and indelible. Where this is not possible or can not be guaranteed due to the nature of the product, it shall be affixed to the packaging or to the accompanying documents.

4.4. The CE conformity marking shall be affixed by the manufacturer or his authorized representative, observing the rules for affixing and the graphic representation of the conformity marking are set out in Annex II to REGULATION (EC) No 765/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL.

4.5. Only a Manufacturer's product that has successfully passed the assessment procedure and has received a **Certificate of Conformity / Factory Production Control** has the right to use the mark of conformity and the certification mark of "DEDAL – Attestation and Certification" Ltd., Nessebar.

4.6. On the basis of the obtained certificate of conformity / factory production control the manufacturer is entitled to issue a **Declaration of performance** for the product manufactured by him and to affix the CE marking which is drawn up in accordance with the requirements of the relevant product standard on an appropriate scale, as well as the certification mark of " DEDAL-AC Ltd.

4.7. The CE marking of a certified product is followed by ID **No 1922** of the notified body "DEDAL-AC" Ltd. when the applied procedure includes an assessment of factory production control. The identification number of the notified body shall be affixed by the manufacturer or his authorized representative under the control of the notified body.

4.8. The CE conformity marking, the certificate as well as the certification mark of "DEDAL - AC" Ltd., Nessebar, are valid in the territory of the European Union.

4.9. Certification documents may be used for commercial purposes by the operators to whom they are issued. Operators shall not use the certification documents in such a way that:

- would be considered as valid for products not covered by the certification, or

- for activities other than those for which they were issued;
- would mislead the intermediate consignee or end-user of the product;
- would discredit the Product Certification Body at “Dedal- AC” Ltd;
- would issue incorrect declarations for which they are not authorized the Product Certification Body at “Dedal- AC” Ltd
